

# D-M-E Mold Bases and Plates

## MOLD BASES AND PLATES

# Table of Contents

## Introduction

Terms and Conditions of Sale .....	4
Sales & Ordering Information .....	5
Mold and Die Steels .....	8
Mold Base Benefits .....	9
D-M-E Item Number System .....	10
Mold Base Terminology .....	11
Machining of Clamp Slots .....	12

## Mold Base and Plate Services

Edge Mold Bases .....	15-22
Quick Delivery Standards .....	23-30
Quick Delivery Specials .....	31-33
Contour Roughing Services .....	34

## American Standard Mold Bases

Key Features .....	38
Mold Base Series Selections .....	39
Standard Steel Types .....	40-41
Standard Features Overview .....	42-43
Optional Features Overview .....	44-45
Quote Request Form .....	46-47
Special Feature Location Form .....	48
Standard A-Series Mold Bases .....	49-136
<b>Standard and Optional Features</b> .....	137-170
Locating Rings .....	144
Sprue Bushings .....	145
Upper & Lower Assembly Screws .....	146-147
Clamp Slots .....	148
Guide Pins and Bushings .....	149
Return Pins, Stop Pins and Sprue Puller Pins .....	150-151
Ejector Housing and Cover .....	152-153
Ejector Assembly Screws .....	154
Minimum Additional SHCS .....	155-156
Mold Base Features and Delivery Time .....	157
Self-Lubricating Bushings .....	158
Pry Slots .....	159
Guided Ejection Systems .....	160-161
Lifting Holes .....	162
Pockets .....	163
Support Pillars .....	164-165
Leader Pin Vents, Spring Pockets and Mold Strap Holes .....	166
Waterlines .....	167
3-Plate Extension Bushings .....	168
Interlocks .....	169
Insulator Sheets .....	170

## American Standard Mold Bases

<b>X-, AX- and T-Series Mold Bases</b> .....	171-196
Features .....	172-173
Stripper Plate Mold Bases .....	174-182
AX-Series .....	182-183
T-Series .....	184-194
3-Plate Extension Bushings .....	195
Ball Bushings for Floating Plates .....	196
<b>Small &amp; Shuttle Mold Bases</b> .....	197-208
Small & Custom .....	198-203
Shuttle Mold Bases .....	204-207
<b>MoldBasics Mold Bases</b> .....	209-218
Features .....	210-213
Product Selection Tables .....	214-217
Polimold Industrial S.A. ....	218

## Euro-Series Mold Bases

Features .....	220-221
Plate Dimensions .....	222-223
Plate Tolerances .....	223
Ordering Information .....	224-225
Euro-Series Components .....	226-229

## Cavity Retainer Sets

Cavity Retainer Sets .....	232-258
----------------------------	---------

## Mold Plates

Standard Mold Plates .....	260-276
Large Mold Plates .....	277-282

## Molding Supplies

Mold Cleaner and Mold Saver .....	283-284
-----------------------------------	---------

## Technical Reference

Metric Equivalents and Conversion Tables and much more .....	285-306
---	---------

# Index

- 3-Plate Extension Bushings..... 168, 195  
 Adapter Plates, Custom Universal..... 199  
 Adapter Plates, Small Mold Base..... 198  
 American Standard Mold Base Features..... 42-43, 303-306  
 Arburg Locating Rings..... 144  
 A-Series Mold Bases..... 37-135  
 AX-Series Mold Bases..... 183  
 B Plate..... 11, 136  
 Ball Bushings..... 196  
 Bolster Plate..... see Support Plate  
 B-Series Mold Bases..... 136  
 Cavity Retainer Sets..... 231-257
