# **Ready Slide Assembly** Pre-Assembled, Ready-to-Ship RSA-300 Series

	WEDGE						
CATALOG NUMBER	А	В	С				
RSA-301	.500	.630	1.660				
RSA-302	.820	.880	1.550				
RSA-303	.820	.880	.825				

All mounting screws provided

### What's Important

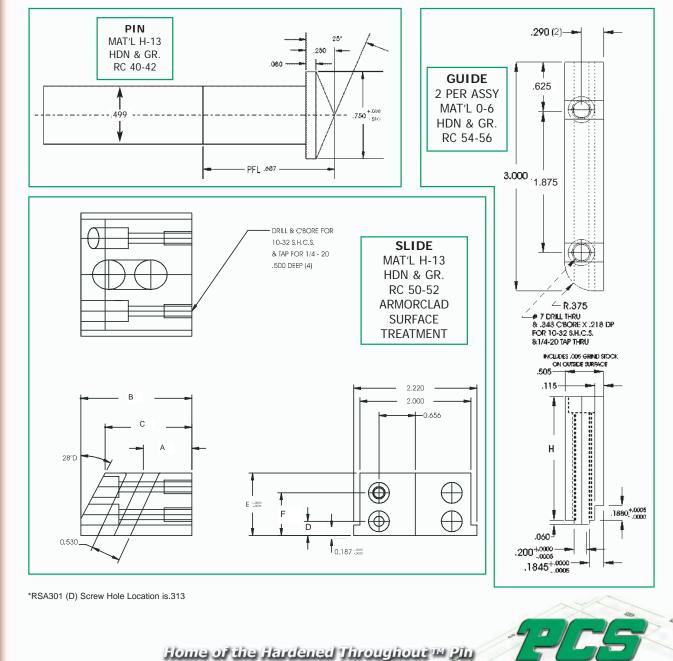

- IN STOCK ready to ship
- Reduces lead time
- Easy installation
- Mounting screws provided
- Units are finished with grind stock on overall width, bottom of guide shoe, and wedge angle
- Hardened and precision ground components are made with dissimilar steels and hardnesses
- The lubricious properties of the armorclad treatment combined with the qualities of graphitic tool steel (0-6) provide a dependable, smooth acting slide system
- Longer guides and wear plate available for longer slide strokes

## **Ready Slide Assembly** Pre-Assembled, Ready-to-Ship RSA-300 Series

#### NOW WITH ARMORCLAD SURFACE TREATMENT
